Summary:

The current drop-box collections services franchise agreement with Allied Waste Services expires on June 30, 2010. Under the terms of the agreement, the City may, at its sole discretion, extend the agreement upon delivery of a written notice to the Company. Therefore, we request a two-year extension expiring June 30, 2012, with the option of a one-year rollover. At this time, the Company has requested a rate adjustment to bring rates current with Clackamas County's drop-box rates. The last rate adjustment was in 2004.

The extension will allow adequate time for the City Council to discuss options for proceeding with a process that leads to a new franchise agreement.

Recommended Action:

The City Council make a motion to authorize the extension of two years to the contract and associated rate increase with the expiration date of June 30, 2012
